

# Privacy Policy

When you use our web site services, you trust us with your information. This Privacy Policy is meant to help you understand what data we collect, why we collect it, and what we do with it. When you share information with us, we use it to make your subscribed services available and secure for you. For instance, we can use your email and/or phone to provide you with Rainbow Smart Lock feature. We also use your email and/or phone to send you account alerts and communications. We don't sell or share your data with other companies. We may glean usage data of all users to determine usage statistics of our websites and features. We collect your name, billing information to charge you for your subscription and resolve any dispute if any. We collect and record your login and access activities including IP Address to monitor and deter invalid access attempts. If you have any questions, want your access history deleted or want to unsubscribe email us at [Support@rSecureNote.com](mailto:Support@rSecureNote.com) We would only retain minimal information to keep billing history for our customers.
